<b>Company Profile</b>	<p>ROSE Business Group® starts operation in 2005 by establishing its first business line as ROSE Solid and Liquid waste Collection &amp; Transport Service®, by the entrepreneur Mr. Robel Estifanos'. ROSE is also a pioneer private waste management service provider in Addis Ababa. By then ROSE allocated a startup initial capital amounting 1.2 million Ethiopian Birr and started to operate with two waste collection trucks and limited human resource. ROSE now extended its services into different and interconnected business areas including: Solid and Liquid waste Collection &amp; Transport Service, Cleaning Service, Gardening and Landscape, Transport, Dairy Farm and Milk Processing, Construction Equipment Rental, Hotel service. Each service is running under the umbrella of ROSE Business Group. Accordingly, the company is reorganized and reformed by completing its legal registration by fulfilling the required Business License, Investment License, Taxpayer Registration Certificate (TIN) and VAT registration. Also, ROSE has obtained the Suppliers Certificate issued by the authorized Government office.</p>	
<b>Business Location</b>	Addis Ababa, Ethiopia	
<b>Objective/ Interest</b>	Search and build potential business partners on waste management and recycling.
